

## Auchinairn Early Years Centre

### Partnership with Parents

#### **Our**

At Auchinairn EYC we offer an open door policy and Open Access where parents/carers are welcome to discuss any issues or concerns. Although parents are not required to assist during our normal sessions, we encourage any parent who feels that they have a particular skill or interest to come and share this with the EYC as a whole.

#### **Aim**

#### **Working in Partnership with You**

In addition to the daily contact with parents/carers, there is also a notice board, nursery facebook page, a monthly newsletter, Share the Learning, website, Learning e-Journals, a Road to Excellence evening and twice yearly parent/carer evenings.

This information is shared with parents/carers throughout their child's time at Auchinairn and will be forwarded to the relevant primary when they move on to school. This journal can be viewed at any time through the Learning Journal website and parents are encouraged to participate in these journals.

We hold Triple P parenting groups, Story Stars, Book Bug sessions.

The nursery has a very successful parents group who meet regularly and discuss fundraising, nursery policies and procedures and the nursery plans.

The EYC has a variety of communication mechanisms in place to encourage parents/carers to become involved in EYC life and in shaping the education of their child:
